Benefits

The origin goes as far back as traditional medicine in India, China and Greece. It is a method of harmonization and natural well being. Each color corresponds to a vibration with its individual speed, wave length or rhythm. Its influence is as much physical, psychological or emotional and allows our vital energy to reach a level of self-heating.

RED: Stimulates circulatory system, promotes vitality and energy

ORANGE: Stimulates respiratory and nervous systems, anti-fatigue, benefits body and mind.

YELLOW: Energizes intellectual stimulation, fortifies and relaxes.

GREEN: Calms nervous system, fortifies and relaxes vision

TURQUOISE: Regenerates, calms sudden pain, relaxes intellect.

BLUE: Promotes peace and tranquility, opens conscious mind.

MAGENTA: Harmonizes emotions
